A WARM WELCOME TO HANKØ

Get ready for an unforgettable sailing experience. This year, we are thrilled to invite seven legendary classes: J/70, Melges 24, 11MOD, Express, Dragon, IOD, and Half-Ton.

Whether you're a seasoned racer or a first-time participant, we're excited to welcome sailors from all over to Hankø Yacht Club for what promises to be an action-packed event.

We are proud to continue our tradition of collaboration with Hankø Yacht Club and Fredrikstad Seilforening. Hankø Race Week isn't just an event – it's a legendary gathering that has stood the test of time for over 140 years, bringing the best of One Design Racing to the waters of Hankø. With perfect wind and wave conditions, racing here is an unparalleled experience. Hankø is not only home to some of the best sailing conditions in Norway, but in the world.

Beyond the racing, the social vibe at Hankø Yacht Club is second to none – it's one of the highlights of the summer. Picture yourself sharing stories with fellow sailors, surrounded by stunning scenery and great company.

Don't miss out – registration is now open!

RACING FORMAT 2026 – MORE RACING BASED ON YOUR FEEDBACK

Following last year's sailor survey, we have listened carefully to your feedback – and the message was clear: you want more racing! We are therefore pleased to announce that we have adjusted the daily race schedule & the course to allow for more races throughout the event. In addition, we have formally opened up Sunday 28 June as a reserve day, giving us the opportunity to complete additional races if conditions or the schedule call for it. While nothing is guaranteed, our ambition for 2026 is to give every class more time on the water and more competitive racing than in previous years.

More detailed information will be published at the turn of April/May.
